Holiday Valley, Ellicottville, NY - January 22, 2022

This trip is for a more advanced skier/boarder

Holiday Valley	Mad River Mountain
2200 ft elevation 750 ft vertical drop About one mile longest run	1460 ft elevation 300 ft vertical drop .5 mile longest run
 It is our impression that a really tough "blue" at MRM is like a green at Holiday Valley or Snowshoe. The Holiday Valley or Snowshoe green trails can be VERY narrow. Be aware of your skills before you sign up!	

******You will be required to bring a helmet with you**

Hilliard Bradley Ski and Board Club Rules Mad River and Holiday Valley Ski Areas

The following list of guidelines is designed for the safety of the members of the club. The understanding of and the adherence to these guidelines by students and parents is essential. All students in the Hilliard Bradley Ski and Snowboard Club are subject to all Board of Education policies and Hilliard Bradley High School rules. These include no smoking and no alcohol consumption on the bus or at the ski area. If a student is found in violation of any of school board or Bradley rules, he/she will be subject to school disciplinary action and removal from the club.

2. Students are expected to comply with reasonable requests of Ski Club advisors.
3. Students are expected to obey all safety rules and requests from the Ski patrol, employees of Mad River Mt. and/or Snowshoe and law enforcement personnel.
4. Students are not allowed in the "adult only" areas in the ski lodge.
5. Students will be on the bus at Bradley at 2:45 PM (Mad River trips only)
