TECHNOLOGY PROTECTION PLAN (TPP) TO PARENTS

Parents can now enroll and take advantage of our district's Technology Protection Plan (TPP) that can help protect you and your student from costly repairs to their iPad due to unforeseen damage. For only \$25.00 per year, this agreement covers the iPad loaned to the student for the 2021-2022 school year against incidental damage or loss over \$50.00. Accessories (charger and case) and damages valued at less than \$50.00 are NOT covered and are the sole responsibility of the student. Coverage is 24 hours per day. The Technology Protection Plan will only cover two incidents per school year. **NEGLECT IS NOT COVERED.**

If paid, the Technology Protection Plan will release the parent/guardian from having to pay for loss or damage for the following reasons:

- Damage resulting from normal use and accidents.
- Loss or damages resulting from theft. An official copy of a police report is required.
- Loss or damage resulting from a fire. An official fire report from the investigating authority is required.
- Damage resulting from vandalism by other individual. If found guilty, the vandal will be liable to pay for damages.

Exclusions (parent/guardian will be liable for entire replacement cost of the device):

- Intentional damages
- Lying on any damage report
- Not carrying the iPad in a district-provided protective case.
- Negligence (including loss from carelessness)
- Loss or damages resulting from fraudulent, intentional, or criminal acts.

Effective and Expiration Timeframes

This coverage is effective from the date the premium payment is received by the school through the date at which the iPad is required to be returned in good working order.

Premium

The total premium cost is \$25.00 for the 2021-2022 school year. The Technology Protection Plan is not refundable. Payments can be made through mypaymentsplus.com (6/1/21-8/26/21) or by check made out to Hilliard City Schools. If paying by check, please write your student's ID number and "TPP" in the memo line and turn into your school office.

Participation is totally voluntary. If a student does not participate, they will be responsible for any costs associated with repairs, loss or damage.
