

# PICK-UP and DROP-OFF MAP

## HILLIARD DARBY HIGH SCHOOL

**PLEASE DO NOT CUT THROUGH THE STAFF/VISITOR PARKING LOT WITH YOUR CAR!** We have staff, visitors and students walking through the parking lot to enter the building. Safety is our main priority!

**PLEASE DO NOT CUT THROUGH THE SERVICE ROAD BEHIND THE BUILDING!** The majority of our staff park behind the building. Last year we had numerous cars speeding and cutting through this back service road and had numerous close encounters with staff almost getting hit. We would much rather you pull into the stadium lot and drop off your student then drive behind the building. It is not that far of a walk!

**PLEASE DO NOT DROP OFF YOUR STUDENT ALONG THE CURB IN FRONT OF THE LEPPERT RD DOORS!** Reminder that we have busses constantly entering and leaving that area. Most importantly our student drivers and bus riders are walking into the building from the student parking lot area. Again, safety is our first priority and the less traffic in those areas the better.
