Dear Parent/Guardian,

Welcome to the 2022-2023 school year! Your student is currently enrolled in an Advanced Placement (AP) course at Hilliard Davidson High School. We wanted to make you aware of the registration process for AP exams this school year.

Throughout the year, students and teachers have access to digital resources to measure student progress. Students can access these resources through their AP account: myap.collegeboard.org. These resources are available to help students master the content and skills to be successful in the course and on the exam. Advanced Placement videos and resources can be found on their YouTube channel here: <https://www.youtube.com/user/advancedplacement>. This is an excellent resource for your student to not only learn new information, but to also reinforce what they are learning in the classroom.

There are three steps to register for an AP Exam.

1. Students must create a college board account - this will be done in class.
2. Students must join their class via their myap.collegeboard.org account - this will also be done in class.
3. Pay for the exam. Students must pay for their exam in order to have an exam ordered for them.

Exam registration is through [MyPaymentsPlus](#).

The registration window is 9/26/22 - 10/28/22

- Each AP exam is \$97. Students who qualify for free/reduced lunch have a fee of \$53 per exam.
- The AP exam calendar can be found here:
