Notes from the Principal

Parents,

With state testing next week, we cannot stress enough how important it is that students are here every day, well rested, fed, and with their iPads fully charged. Please help us by ensuring your students are here on time, so we can run through this time as efficiently as possible.

Thanks

The district will use March 10, 2020 for staff professional development. Students will not be in school that day. We want to give our families as much time to plan as possible, so please make a note of this change.

Superhero Run 5K and Kids Dash

Please join us for a fun, family friendly spring race hosted by the Hilliard Davidson Band Program in partnership with Orphan World Relief, a non-profit organization here in Columbus working tirelessly on behalf of orphan and foster children both here and abroad. There will be a kids' area where we will have face painting, inflatables, and characters dressed up like Superheroes and Princesses. There will also be an award ceremony following the race where some great prizes will be awarded to the winners of each age bracket. Plus, the Hilliard Davidson band will be performing along the race route to energize the runners. It will be a WONDERFUL way to spend a spring afternoon!

The race will take place at the Hilliard Davidson stadium and school grounds on April 28th. There will be a 400 meter Kids Dash at 12:45 after which each runner will get a SWEET medal for getting outside and being a superhero!! Then there will be a 5K starting at 1pm that will tour the grounds of the school. If you are interested in registering, please visit either the Hilliard Davidson Band website, or search for the race at runsignup.com. Registration is also available on site the day of the race."
