Notes from the Principal

Be Well

Parents,

Hilliard City Schools has partnered with Dublin City Schools to create a very unique and important opportunity. As the principal of THE Heritage Middle School I am very proud to live and work in a district that truly focuses beyond academics to embody the whole child. **This important endeavor cannot reach its full potential unless we have the schools and families on the same page.** That's why I would like to personally invite you to join us in our **BE Well Parent Events.** There will be book talks and a very powerful Parent University evening that will include information on student wellness, family wellness, digital wellness and social wellness. **Please watch the video below for more information.**

Thank you
