Notes from the Principal

Parents,

As we look to begin the 2020-2021 school year, there is obviously a lot that is still going to be decided. Please continue to watch the district webpage for information. Things continue to change very rapidly, and the Hilliard City Schools website <https://www.hilliardschools.org/> will continue to be your best source of information.

We have our first school related activity on Aug 10th and 11th. This will be our iPad pick-up. We would normally hold our PAW Days but obviously the Covid-19 pandemic has forced us to adjust and adapt. We will have a drive-up/stay in your car process that will mirror our iPad drop-off from last year. Please type or hand write your students Name and Student ID# as large as possible on a piece of paper before you come for your pick-up window. We will safely hand you your students iPad and instructions for

setting-up the iPad when you drive-thru. Please follow these instructions when you get home to set-up your students iPads, the students have been through this process numerous times! If you happen to still have any school library books, we will be happy to collect them from you during this process.

A map is linked below to show the flow of traffic for Aug 10th and 11th. As you will notice, it is the same flow of traffic we used for the iPad drop off.
