Notes from the Principal

Parents,

The last day of the 2019-2020 school year is upon us! Thank you one last time to everyone for all of their efforts though e-learning. I publicly wanted to thank the staff of Heritage Middle School for all they have done through this process. The teachers, tutors, counselors, secretaries, custodians and aides have all helped to get us to this finish line, and have done an amazing job. We were even able to put together videos for the Talent Show, Honors Awards, and 8th grade Clap-out which are on the schools website <https://www.hilliardschools.org/hms/>.

Along with your iPad turn in, remember to bring back all text books, library books, sports uniforms, musical instruments, and any other school issued items. Our staff has put together student personal items and will distribute when you return school issued items.

All students need to go through the following steps BEFORE dropping off their district iPad for summer check-in. We are asking our parents to check with students to be sure this is completed. If not, you and the student can follow these steps before your turn in appointment.

[Grades 6-8 iPad Collection Information](#)

In order for this process to go as smoothly as possible we ask the following things:

- **Please be patient!**
- **Stay in your car throughout the whole process**
- **Please make sure you have all the items you need to turn in- books, iPad, all other school materials (and that they are ready to turn in)**
- **The front of the building is only to pick-up items left at school, if you don't have anything you are free to go**
- **Please follow the map and stay in line**
- **Please exit the premises when you are done!**

Have a GREAT Summer and stay safe!

Station 1- Turn in all Books and Textbooks

Station 2- If you have an Art project you asked your teacher to prepare pick-up here

Station 3- iPad Drop-Off- Please make sure you have followed all steps to prepare for turn-in

Most People will be done after Station 3, Station 4 and 5 are only for a few people

Station 4- Band Instruments and Athletics Drop-Off

Station 5- (Front of the Building)- Pick-Up of items left in Locker

Daily Announcements

Yearbook

There will be a yearbook for this school year! The company that we work with to produce this had to shut down during the Covid pandemic. They have re-opened their doors, but won't have the yearbook ready for next week. We will update you with information when they are ready.

Lost and Found

We also have items that were left in our lost and found and in some of the athletic locker rooms. We will make the items available for pick-up during the week of June 1st. They will be placed on tables out in front of the building.

Heritage Wins Virtual Battle of the Books

Hilliard's middle school Battle of the Books teams were unable to compete this year in Circleville due to Covid-19, so Media Specialists Mary Ann Best from Heritage Middle School and Ashley Lambacher from Memorial Middle School decided to host their own Zoom Battle of the Books competition on May 18th. Grace Lusk and Isabel Laderer represented Heritage and answered 50 questions about 8 books over the course of an hour on Zoom. The friendly competition finished with a win from Heritage! Most importantly, students were able to enjoy showcasing their

knowledge and have fun challenging each other, while sharing their love of reading. Way to go, Panthers!
