Notes from the Principal

Parents,

iPad and Other School Materials:

Thank you to everyone who was able to make it to our turn-in times. I know that the scheduled times can be hard on everyone, so we really appreciate your ability to make it work! If you still have school materials, please reach out to us to get that turned in!

Yearbook:

There will be a yearbook for this school year! The company that we work with to produce this had to shut down during the Covid pandemic. Due to this delay in operations, yearbooks are still in the production stage. We plan on having them in August for students to pick them up. Thank you for your patience and understanding!

Lost and Found:

We also have items that were left in our lost and found and in some of the athletic locker rooms. We will make the items available for pick-up during the week of June 1st. If there is something your child has miss-placed, please have details like brand, color, and size. You can either call the main office, or come to the building ask about an item. The building is closed, so no one is able to come in, but a secretary,

custodian, or principal will bring out any item that is yours. We plan to donate our left over lost and find items on June 8th like we do every year, so if you think something is here please ensure you reach out! (614-921-7500)

Times for Pick-Up:

Monday- 9am-11am

Tuesday- 7:30am- 9:30am

Wednesday- 9am-11am
