Notes from the Principal

Panther Nation,

We are officially done with our Ohio State testing! Our kids had a high level of focus and effort on each part. Thank you for your support at home in making these testing days a priority with your schedules.

Our Luau begins here in a few hours. We look forward to a night full of fun with our students and staff. Please refer to my note yesterday for all the details surrounding the evening. See everyone at 6PM!

Have a great weekend and GO PANTHERS!

Attendance Message

It looks like a beautiful weekend ahead, and as we head into warmer days, I want to emphasize the importance of good attendance for your child. Each day at school is like a building block for their learning journey, and every missed day can make a difference. Not only does regular attendance help them academically, but it also shapes their ability to work well with others and communicate effectively. These skills are important for their future success, whether it's in the classroom or beyond.

In fact, our community determined that being a Purposeful Communicator is a key skill for future success, and that is why it is part of our Portrait of a Learner. [Click here](#) to hear from Kelli Barnes, a Hilliard parent and pharmacist, about how good communication is integral to all relationships, inside and outside of the workplace. Thank you for continuing to partner with us this year on instilling good attendance habits in your student.
