We have reserved 2 Lakefront coach buses and Pathfinder accommodations that can accommodate 100 students plus 8 teachers. Because of the need to get payment and exact numbers to US Space & Rocket Center, all forms and payments need to adhere to the following timeline:

- Beginning October 22<sup>nd</sup> : Begin with this completed application and initial deposit of **\$277** to establish you date/time stamp.
- By December 17<sup>th</sup>: Application & initial deposit, student essay and outside Letter of Recommendation, (all can be turned in anytime between Oct. 22<sup>nd</sup> and Dec. 17<sup>th</sup> ).
- By March 7<sup>th</sup>; 2<sup>nd</sup> deposit of **\$277** (we will have the final list by March 1<sup>st</sup>, as the 2<sup>nd</sup> trimester ends Feb. 22<sup>nd</sup> : payments can be made prior to the 7<sup>th</sup> and will be held for deposit or refunded if not top 100).

All materials and checks (payable to **“Hilliard Station PTO”**) should be submitted directly to Mr. Kaufman (Rm. 22), by 2:00pm for each deadline day of the timeline. We do accept all that apply and will maintain a ‘Wait’ list for those beyond the top 100 scoring “Benchmarks”. This list will be adjusted from the first two grading periods. A final list will be developed after 2<sup>nd</sup> Trimester Grades are posted. ***(These payment deadlines are crucial for vendor payment schedules to be made. Not meeting these deadlines will constitute the loss of your consignment.)*** All refunds will be distributed on an “as need” basis as science grades are posted, behavioral, attendance take place, and other Benchmarks. All information of the trip can be found on the Information sheet at the “Pathfinder” link on Station’s website under the Students tab,.
