

Hilliard Station Sixth Grade School Extra-Curricular Activities

2022 Brochure

Hilliard Station will be offering our students an opportunity to participate in after school extracurricular activities. A variety of courses will be offered at different times. Hilliard Station teachers will supervise the activities.

The following are three necessary requirements that parents need to carefully consider before making a decision to register your child:

1. It is imperative that transportation be arranged so that your child can return home safely after each session. If a child is picked up late more than once, the student may be asked to withdraw from the activity. Please note the pick-up locations on the sign-up sheet.

2. It will be necessary for the instructors to work free of disciplinary problems. If any student consistently misbehaves, he or she will be excluded from the remaining activity sessions, and the enrollment fee will be forfeited.

3. Please inform the Hilliard Station teacher of any medical issues your student may have.

Please note the following registration guidelines:

- To register and make payment, please go to MyPaymentsPlus, or send a check, made out to HCSD, with Student information, parent email contact
- Activities are filled on a first-come, first-served basis.
- If a course is canceled due to low Enrollment, money will be returned.
- Students will NOT be notified of enrollment. ALL students who have paid should attend their first class period unless informed otherwise. We always attempt to accommodate all registrants.
- Please notify instructor of any medical conditions that may arise during the activities.
- Please make sure current Health Histories are on file at school.

It is our hope that many students will be able to take advantage of these activities. If you have any questions concerning any aspect of the program please call the office at 921-6800.

Dodgeball is a hand and ball contact sport where students try to knock each other out of the game. The game is played with soft covered dodge balls that are thrown below the neck across two sides of the gymnasium. This game is closely monitored by the instructor, and students who do not abide by the rules will be asked to leave. The game is fast paced, allowing for students to actively participate during the hour of play. **Different types of dodgeball will be played, i.e. Gladiator Dodgeball (similar to capture the flag but with dodgeballs, Medic, "Old School" dodgeball, Poison Mushrooms, etc...)**
