

Hilliard Station Sixth Grade School Spring 2023 Brochure

Hilliard Station will once again offer our students an opportunity to participate in after school extracurricular activities. A variety of courses will be offered at different times. Hilliard Station teachers will supervise the activities

Please sign up through
MYPAYMENTSPLUS.

The following are **two necessary requirements** that parents need to carefully consider before making a decision to register your child:

1. It is imperative that transportation be arranged so that your child can return home safely after each session. If a child is picked up late more than once, the student may be asked to withdraw from the activity. Please note the pick-up locations on the sign-up sheet.

2. It will be necessary for the instructors to work free of disciplinary problems. If any student constantly misbehaves, he or she will be excluded from the remaining activity sessions, and the enrollment fee will be forfeited.

Please note the following registration guidelines:

- To register and make payment, please go to MyPaymentsPlus.
- Activities are filled on a

first-come—first-served basis.

- If a course is canceled due to low Enrollment, money will be returned.
- Students will NOT be notified of enrollment. ALL students who have paid should attend their first class period unless informed otherwise. We always attempt to accommodate all registrants.
- Please notify the instructor of any medical conditions that may arise during the activities.
- Please make sure current Health Histories are on file at school.

Location: Room 31

Time: 2:40 - 3:40 pm

For the final time this year, Card Club is back! One last round before we close out the year strong. Don't miss out on your last opportunity to share a great hobby with some great Station Cougars.

Do you like collecting football, baseball, or basketball cards? Do you like to dual with Yu'gi'oh and Pok'emon? Do you have a favorite player or favorite team? Card Collecting Club is a place where collectors can meet and trade cards with other students. Members will learn how to determine the value of their cards and how to trade fairly. There are prizes to be won, so don't miss out! Card Collecting Club is a fun way to begin and enjoy a great hobby that will last for years. Members will also be able to purchase cards at wholesale prices! No matter what cards you collect, we want you to join Card Collecting Club!

Nature Club
