The following are **two necessary requirements** that parents need to carefully consider before making a decision to register your child:

1. It is imperative that transportation be arranged so that your child can return home safely after each session. If a child is picked up late more than once, the student may be asked to withdraw from the activity. Please note the pick-up locations on the sign-up sheet.

2. It will be necessary for the instructors to work free of disciplinary problems. If any student constantly misbehaves, he or she will be excluded from the remaining activity sessions, and the enrollment fee will be forfeited.

Please note the following registration guidelines:

- To register and make payment, please go to MyPaymentsPlus.
- Activities are filled on a

first-come—first-served basis.

- If a course is canceled due to low Enrollment, money will be returned.

The DIA aims to create and keep a supportive and inclusive community that increases understanding, respect, and acceptance of all students, regardless of their background, identity, or orientation. The DIA strives to increase student connections, and values each student's unique and individual voice. This group may engage in, but is not limited to organizing educational events, promoting awareness of diversity issues, advocating for inclusive policies, providing support for marginalized students, and fostering a sense of belonging for everyone within the Station community.

This group's focus will be to welcome students and their authentic self-expression while they are celebrated for who they are. Each year may be different as students express their interests and goals, but the theme remains the same: "Every Student Without Exception."

Past years have included events such as walking to Dairy Queen, tie dying t-shirts, making signs and posters, creating secret handshakes, making friendship bracelets, and organizing events at recess (such as nail polish.)
