

PREPARING YOUR IPAD FOR COLLECTION

THE TASKS IN THIS PRESENTATION
NEED TO BE DONE BEFORE IPAD
COLLECTION DAY

Good to know...

 *Your iPad will be erased on iPad collection day.*

 *Next year you will setup your iPad as a new iPad.*

 *You can choose what you want to backup and save.*

BACKING UP YOUR IPAD: GENERAL

Back the whole iPad up to iCloud

1. Tap Settings, then the giant Apple ID button at the top
2. Tap iCloud, tap iCloud Backup, and make sure it is ON, and that there is a recent backup.

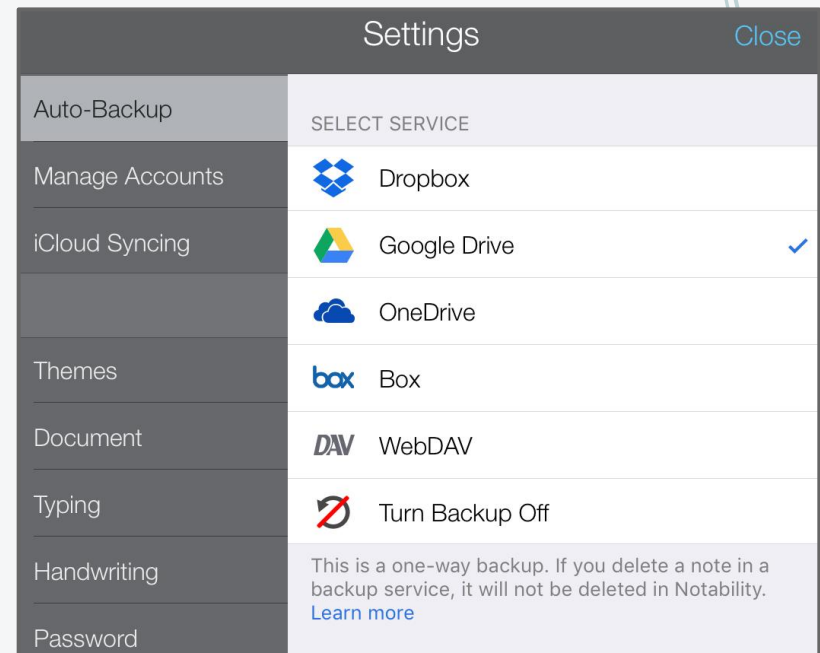

BACKING UP YOUR IPAD: NOTABILITY

Backup to Google Drive

Make sure Auto-Backup to Google is occurring - assuming, of course, you even want a backup of these notes. 😊

Verify within Google Drive that your notes have been backed up.

BACKING UP YOUR IPAD: PHOTOS

Backup photos and videos to Google Photos

1. Install Google Photos App
2. Sign in with your school account
3. Make sure **Back up & sync** is turned on
4. If Google Photos is already installed, tap the 3 lines in the upper left corner, tap Settings, tap Back up & sync, and verify it's turned on.

Or Manually Backup to Google Drive

In Google Drive, create a photos folder, tap the  and choose Upload → Photos and Videos

BACKING UP YOUR IPAD: IMOVIE

Export any projects that you want to keep to Google Drive.

- a. Select your project, tap the Share Arrow , choose Save Video
- b. Your movie is exported to your Photo Library
- c. In Google Drive tap the  and then Upload → Photos and Videos → Camera Roll → choose your video → Upload.

BACKING UP YOUR IPAD: EXPLAIN EVERYTHING

Backup to Google Drive

Export any projects that you want to keep to Google Drive. Choose the file type (image, video, Explain Everything project, etc) before exporting.

BACKING UP YOUR IPAD: PAGES, KEYNOTE, & NUMBERS

Export any projects that you want to keep to Google Drive.

- ✗ **Sharing Multiple Documents:** from the app home screen, choose Select, check all documents you wish to share/export, select Share, Select Open in Drive, Save (these show up as Pages/Keynote/Numbers files)
- ✗ **Share as a Pages/Keynote/Numbers file:** Tap the □□□ from within the document, choose Share, choose Open in Google Drive, Save
- ✗ **Export to Google from within the document:** Tap the □□□ from within the document, choose Export, choose appearance (PDF only), choose Copy to Google Drive, Save
 - Pages: PDF, Word, RTF, or EPUB,
 - Numbers: PDF, Excel, or CSV
 - Keynote: PDF or PowerPoint

BACKING UP YOUR IPAD: NOTES

Saving content from the Notes App

1. If your notes are already in iCloud, you're all set! They will be there in the fall when you set up your iPad and sign back in to iCloud.
2. If your notes are not in iCloud... Copy contents from any Notes you'd like to save and paste in a an iCloud Note, a Google Document or in Notability.

BACKING UP YOUR IPAD: OTHER APPS

Check any other apps you may have on your iPad that have documents or projects you want to save and back them up to Google Drive if possible.

ENROLL IN [PASSWORD.HBOE.ORG](https://password.hboe.org) (...IF YOU STILL NEED TO)

The next several slides will walk you through setting up your account in our password reset site.

Once, enrolled, you'll be able to change your district password anytime and recover it if you forget.

District Password

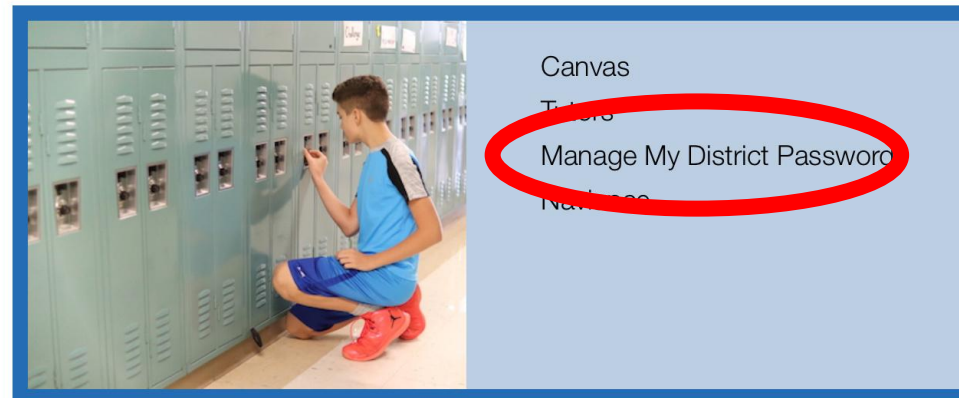

In Safari, open the STUDENTS page on Hilliardschools.org

Go to “Manage My District Password”.

Note: You use your district login and password to login to computers, Canvas, student wifi, etc. Your Apple ID password is different and cannot be changed here.

Students

District Password

Tap the green login button.
(Lower Right Corner)

Login using your student ID
number and current password.

Choose and answer 3 security
questions. (Be sure to choose
questions that you will answer the
same way every time. If you change
your favorite color weekly, don't use
that question.)

Tap Enroll (Upper Right Corner)

A screenshot of a mobile browser displaying the password.hboe.org website. The page is titled "Enrollment" and features three security question prompts. Each prompt consists of a dropdown menu labeled "Please Select a Question", followed by two input fields: "Answer" and "Confirm Answer". At the bottom left, there is a checkbox labeled "Show Answer". In the top right corner, a blue "Enroll" button is circled in red.

District Password

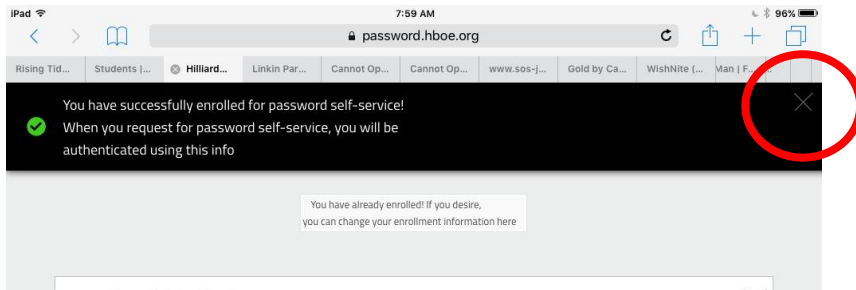

Choose and answer 3 security questions. (Be sure to choose questions that you will answer the same way every time. If you change your favorite color weekly, don't use that question.)

Tap Enroll.

A screenshot of a mobile browser interface on an iPad. The browser address bar shows 'password.hboe.org'. The page title is 'Enrollment'. The interface features three identical security question forms. Each form consists of a dropdown menu labeled 'Please Select a Question', followed by two input fields labeled 'Answer' and 'Confirm Answer'. At the bottom left, there is a checkbox labeled 'Show Answer' which is currently unchecked. An 'Enroll' button is located in the top right corner of the page.

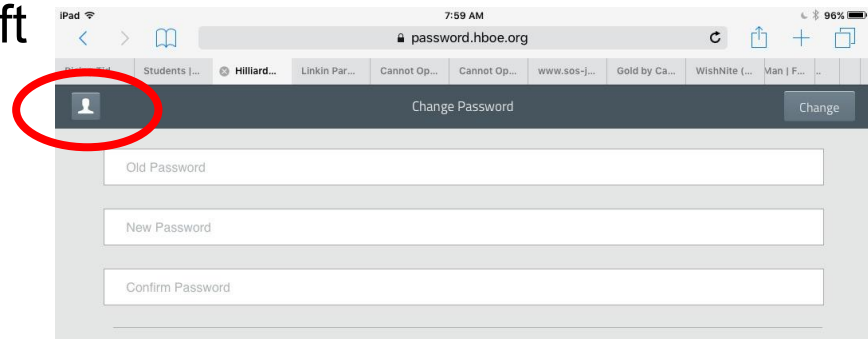

District Password

You will see a message stating you have successfully enrolled. Tap the X at the right side to close this message.

Now, tap the user icon in the top left corner.

If you want to change your password now, select "Change Password" If not, just sign out.

District Password

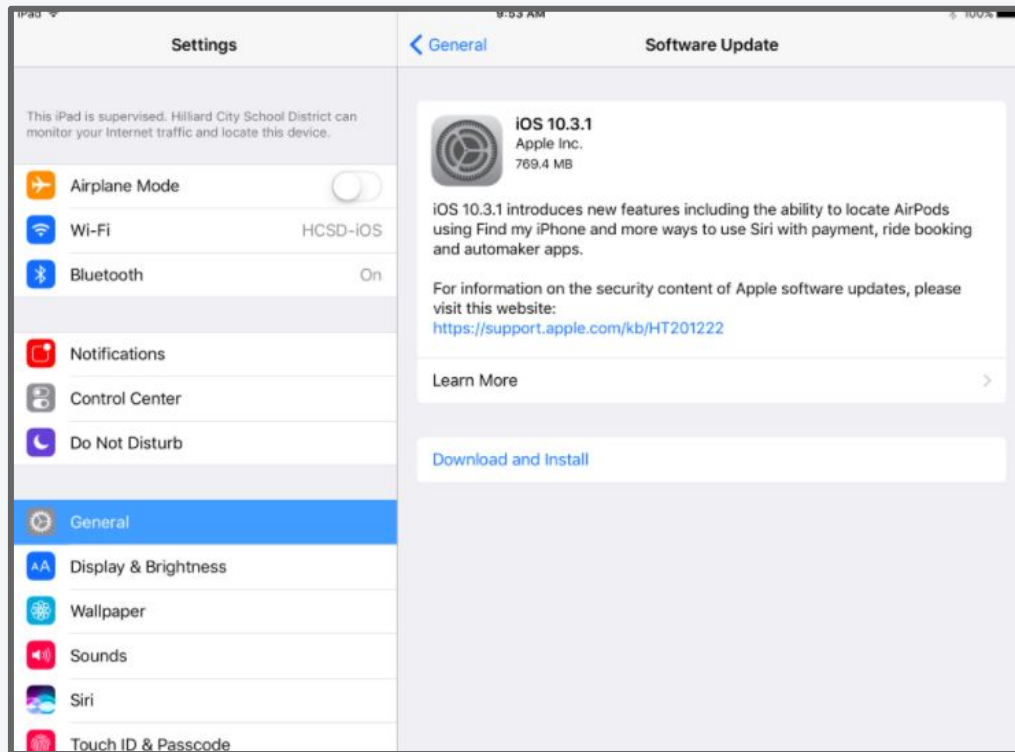

In the future you can use this site to reset a forgotten district password or to change your password.

Start by going to the STUDENTS link from the Hilliardschools.org site. Click on “Manage My District Password”.

UPDATE YOUR IPAD

Go to Settings
Go To General
Select Software Update
Make sure your iOS is Up to Date

BRING YOUR IPAD 100% CHARGED ON COLLECTION DAY

*Moving over Summer?
OR in 4th grade?*

*You must turn in your iPad, cable, and charger
on Collection Day!*
