SUMMER SCHOOL 2020 REGISTRATION FORM

SCHOOL YEAR:	GRADE:

REQUEST TO REPEAT A COURSE * only to be completed if retaking a course *

Students may request to repeat courses. In order to repeat a course for a replacement grade, this form must be completed and submitted to the guidance office before the sixteenth day of school. The course information and the grade earned the first time remain on the transcript as part of the student's academic record. However, the grade earned the second time is the grade that is computed in the calculation of the grade point average. This means students will always receive the second grade earned. Credit is only awarded once for the course. A student may repeat, at most, two year-long courses or four semester courses in one school year. Students must complete the entire semester/year to be eligible to repeat a course.

- A course and its prerequisite may not be taken at the same time.
- A course may be repeated only once.
- Grades from out of the district sources, correspondence courses, and summer school courses will not be accepted as replacement grades (exceptions—those courses taken in the summer sessions offered by Hilliard City Schools).
