

Imagination Network

This network is designed for the student who wants to creatively explore learning through the lens of the humanities. Advanced levels of the arts, language, and other forms of expression encompass the framework for this individualized experience. This network is for the student who wants to discover unique ways for imaginative learning.

#980070

ACADEMY VIBE

2 Elective Credits

This one of a kind of class offers training on state of the art music, video/TV/film, and audio creation/production equipment and technology. Write and record music in a real studio. Shoot video with 4K cameras and drones. Edit music and video on the software that the pros use. Taught by industry professionals with more than 40 years of combined experience, come 'catch the vibe' at Academy Vibe. Only at the Innovation Campus!

Rock Band

#650021 Two Semesters 1 Fine Arts Credit

Groups/individuals will audition to enroll in this experience that will teach fundamentals of performing and working in today's music industry. Students will experience individual and small group coaching, compose, record, produce and perform original music. Students will also learn the basics of sound engineering and music technology. **Registering for Rock Band does not guarantee your participation. Application and video instructions will be provided.**

Students participating in Rock Band will record at the professional recording studio located in the Innovation Campus.

Media Communication

#300015 Two Semesters 1 Elective Credit

Students will learn the basics of the video/TV & Film production industry. Students will develop skills in concept development; script writing, camera operation, lighting, sound and video editing, through the use of industry standard cameras, drones, edit and graphic design software. They will create original music videos, public service announcements and commercials with the potential to be paid for their efforts.

This course is an elective and does not count towards the four credits in **English required for graduation.**

ACADEMY VIBE 2

2 Elective Credits

Academy VIBE 2 (AV2) is the second level class in our music recording/video production pathway. Students that successfully complete Academy VIBE can enroll in AV2 and continue to focus on sound recording/engineering, original composition, and band or solo performances. Students will also work individually and collaboratively on video production projects that align with their passions and interests. **Instructor permission required.**

Rock Band 2

#650022 Two Semesters 1 Fine Arts Credit

As a follow up to Rock Band and Academy VIBE, students will create individually and in small groups, cover songs, compose and perform their own original music, and produce professional level recordings. Registering for Rock Band 2 means that you successfully completed Academy VIBE or attained teacher approval from the instructors at the Innovation Campus. Students participating in Rock Band 2 will record at the professional recording studio located in the Innovation Campus.

Media Communication 2

#300017 Two Semesters 1 Elective Credit

As a follow up to Media Communication embedded within Academy Vibe, students will expand their knowledge of the introductory level version of Media Communication. Students will continue to enhance their expertise in concept development, audience analysis, message analysis, organization, collaboration, problem solving, computer/video/drone technology usage, and information, creative, and persuasive writing and speaking. This course will continue to promote student voice and choice that encourages interscholastic projects between students and other departments within the Innovation Campus and school district.
