What is Academy EDU? Designed as an introduction to the teaching profession, students in Academy EDU experience an authentic and realistic view of the career and 100+ hours of hands-on observations in the classroom. Students develop skills in the following areas: career awareness and employability, leadership and communication, day-to-day tasks that support teaching and learning, social/emotional development principles, impact of culture in the classroom, creation of a physically and emotionally safe environment for all learners, classroom management, understand the organization and structure of education systems and the importance of productive relationships with family members, caregivers and community partners.

What are the opportunities in Academy EDU? Students explore the teaching profession through a variety of real-world opportunities including: observations in an elementary, middle school and special education classroom, lesson planning, one-to-one tutoring opportunities, field trips and school/community service projects. Students will also have the opportunity to participate in the Nationally recognized Student Organization, Educators Rising. It is strongly recommended that Academy EDU students have reliable transportation to and from their observations.

Would you like to teach in Hilliard City Schools? Academy EDU students are guaranteed a job interview with Hilliard City Schools upon successful completion of an accredited teaching preparation program.
