COVID vaccinations will be discussed at the Tuesday Admin meeting with the Superintendent. There is not a definite plan yet for teachers and staff receiving the vaccinations, but Dr. John completed paperwork to request them for Hilliard Schools. The Governor's time line projects vaccines will be available Feb 1<sup>st</sup> and would allow students to be "All In" as of March 1<sup>st</sup>.

Second semester began last week and is off to a good start. Sixty students are back at MMS from the Online Academy.

Amy shared that the 2 bottle filing stations were paid for (Barry shared via an email earlier in the week that they had been installed). We have a quote for an additional station.

Checks from Kroger (\$334), Texas Roadhouse (\$113), and Taylor Marketing (\$619.46) have been deposited. Bank account balance is \$14,521.79.

Lauri picked up and paid for the Cheryl's Cookies that were given to the teachers and staff for the holidays. Lauri will receive reimbursement.

Lauri shared there has been no response from ISPTO regarding each PTO contributing funds for OA teacher meals, etc. Barry will reach out to the OA principal.

OA student pictures will take place at the ILC through HR Imaging, as well.

Kristi is following up on the PayPal donation transfer of account access.

Lauri moved that PTO cover the cost of an additional bottle filling station in the amount \$507. Kristi seconded the motion. All were in favor.

Panda Express spirit night is scheduled for Feb 1<sup>st</sup>. PTO will receive 20% back as long as \$100 in sales is reached. The spirit night is all day and a flyer-paper or digital- or online code is required.

McAllister's offers 10% discount for schools on catering orders with an additional 5% on catering orders if a spirit night is scheduled the same week. The school can place as many catering orders as they wish that week. All were in favor of ordering from McAllister's for the February conference night dinner. Approximately 50 meals are needed. Barry will provide a final number and Sherise will coordinate the orders. Kristi will buy water and Coke/Diet Coke or LaCroix to compliment the meal. PTO will arrange a spirit night, in which we will receive 15% of sales, for conference week to take advantage of the additional 5%.

Providing mints for testing days was discussed. Barry stated testing is scheduled for April and suggested we revisit closer to that time.

Lauri moved to adjourn the meeting. Kristi seconded the motion.
