Once you have “mapped out” the courses you want to take, you will need to log into your student Home Access Center Account and officially request your courses for next year. Students should register for (7.0 units) to fill up 7 periods of the school day. A lunch period will be added for you and is based on 8<sup>th</sup> grade team assignments. This must be completed no later than Friday, Feb. 27<sup>th</sup>. Then, use the Semester Elective QR Code below to tell us about your elective preferences in the event that an alternate elective needs to be scheduled for you.
