

Hilliard City School Beginning Band

In-Store Fitting

Parents: If you were unable to attend a fitting at the school, please schedule a fitting with a local music store and take this form with you to be filled out during the fitting. Following the fitting, if possible, take a picture of the completed form and email it to Nicole_brocke@hboe.org (Tharp Bound) or Diana_Nicklas@hboe.org (Station Bound) so we have record of your fitting, then leave the form at the store.

Music Company: Please help the student try the different instruments and guide them to an instrument they like the sound and feel of and will be successful playing. Please give guidance, but in the end, it is the student's choice. Fill out the form below by circling the instruments tried and your professional observation on their initial success level. Keep completed forms at the store and I will pick them up every Friday. If you have questions, contact me at Nicole_brocke@hboe.org
