

MESSAGE FROM THE HCSD FINE ARTS COORDINATOR

This handbook is being presented to you because your student desires to participate in the performing arts program in the Hilliard City School District. You have also expressed your willingness to allow your student to participate. We appreciate your family’s interest in our performing arts program, and we believe that participation in performing arts provides a wealth of opportunities and experiences that add to our students’ personal growth and development.

The Hilliard City School District is interested in the development of our young people through Education-Based Performing Arts. We believe that well-organized performing arts programs meet the needs of the students for self-expression, mental wellness and artistic growth. It is our hope to maintain a solid foundation that will further build each students’ educational maturity.

Likewise, we believe that you have committed yourselves to certain responsibilities and obligations as a parent/guardian of a performer. We would like to take this opportunity to share with you the specific policies that we have in place in our performing arts program.

It is the role of the performing arts department to make rules governing participation in HCSD performing arts activities. These rules need full community support to be fully effective. This is achieved through communication between the performing arts department and the parents/guardians of our performing arts students. It is our hope to accomplish this goal through this performing arts handbook for students, parents and teachers.

Dr. Mark E. Sholl

Fine Arts Coordinator – Hilliard City School District
