

Fifth Grade One-2-One Checklist:

Please complete each of the following with your parent or guardian, check each item to indicate you have read or completed the task, then sign the bottom of this form and return it to your classroom teacher by August 24th, 2018.

- ☐ We visited <http://www.hilliardschools.org/one2one/> and watched the One-2-One parent information video. We understand that this web page can also answer many frequently asked questions, including:
 - Suggestions for monitoring our child's digital activity at home
 - Internet filtering options for home wifi networks
- ☐ We signed the iPad Loan Agreement or we understand that the device must stay at school without a signed agreement.
- ☐ We reviewed and completed the TPP (Technology Protection Plan) process.
All families are strongly encouraged to sign up for TPP. As soon as iPads are distributed and successfully set up at school (August 2018) fifth grade families are responsible for paying for any iPad damage, even if it happens at school.
- ☐ We understand that students will NOT get a loaner if they forget their device at home.
- ☐ We understand that students will report their device as lost to the media center within 24 hours when lost.
- ☐ We understand that students are responsible for their charging brick and charging cable and will NOT be issued replacements for these items. Students can purchase and use any compatible brick and/or cable for their school iPad, if needed.
