

Notes from the Principal

Dear Weaver Families,

It is an exciting time at 4600 Avery Road. This morning, we celebrated our inductees to the National Junior Honor Society. Congratulations to our students who were recognized for this honor. Thank you to the family members who joined us for this special event. It was a wonderful ceremony celebrating our Wildcats!

Best of luck to our athletes in their winter tournaments! We have multiple sports competing throughout the weekend. Next Friday, we will have a Winter Pep Rally to celebrate our athletic teams, getting involved, and pride for being a Wildcat.

It is also hard to believe we are starting scheduling for the 24-25 school year. We will continue to communicate updates, but [please reference our school website for more information](#). Thank you to the Davidson Counselors and Mr. Ragland, Davidson Principal, for connecting with our students this week. We are thankful for the #WildcatWay! Students should have scheduled for their 9th grade classes. Next, our 7th grade students will start the scheduling process in February. Our counselors will be available to help support our students through this process.

As always, please reach out with any questions. We are always here to help support.

Thank you for all that you do for WMS!

Katherine Hueter
Principal

General School Reminders:

- As a reminder, all visitors to the school (during the school day) need to report to the main office. We appreciate your support in our commitment to safety.
- For continued safety in the car line, please stay in your lane when picking up your child – do not pass any cars in front of you. There are too many vehicles in motion, as well as students walking, and we do not want any unsafe situations.

- Just a reminder that students are permitted to have phones at school, however, they are not to be used during class time. Students are able to use them during their lunch period. Thank you for helping us to reinforce the expectations.
- At this time, we will not be allowing extra students on the bus. Only students assigned to the bus may ride.
- Students are not permitted to get food deliveries from any restaurant or delivery service (Grub Hub, Door Dash, etc.) during their lunch periods. Parents are permitted to drop off lunches for students in the main office.
- If students bring blankets to school, they need to be stored in their locker or in their bookbag. In general, extra layers are encouraged instead of the blankets. This can become a safety hazard as students are walking around desks and could potentially trip on the blanket.
