## Notes from the Principal

Dear Weaver Families,

Thank you to our Wildcats for another great week at WMS! Our 8th grade students wrapped up the Science Ohio State Test. Our final testing days (Math) will be April 22 and 23. We are proud of our Wildcats!

For 7th grade students interested in the Washington DC trip for the 25-26 school year, the dates for this trip are October 13-16. The first deposit is due April 25. [Please see our school website for more information](#). In addition, we will update the website with the recorded Informational Webinar soon.

Next Wednesday is Administrative Professionals' Day! Today and always, we would like to thank Mrs. Hicks, Mrs. Wohlers, Mrs. Hehemann, and Mrs. Stacy for all they do for Weaver Middle School. They are essential members of our team; we are fortunate to have them at WMS!

The 7th grade class took home the win in the overall attendance challenge, and some of their specific Team Time groups will be receiving a prize. Thank you for your commitment to being at WMS ready to learn. The Wildcat staff is looking forward to creating engaging lesson plans that continue the learning during these last few weeks of the school year.

With that being said, it is hard to believe we have 28 remaining school days for 24-25. We are looking forward to making each day count! As always, please reach out if there is anything we can do to support your child.

As a reminder, our district does not have school on Friday, April 18.

Thank you for all you do for WMS! Go Cats!

## **State Testing**

State Testing continues next week. Students have been working hard all year and to "show what they know" on these assessments. You can access your student's Ohio State Test scores from previous years in [Home Access](#). We are going to have discussions around goal setting with our students for Ohio State Test and STAR assessments with our students.

Here are our state testing dates:

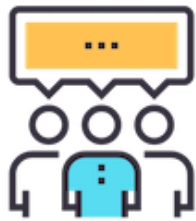

**Tuesday, April 22<sup>nd</sup> - Math Part 1 (7<sup>th</sup> and 8<sup>th</sup> grade)**

**Wednesday, April 23<sup>rd</sup> - Math Part 2 (7<sup>th</sup> and 8<sup>th</sup> grade)**

Testing will take place from 7:55 – 10:13 am on these days and students will follow an [adjusted bell schedule](#) once testing is complete each day. Please make sure that your child is well rested, has a good breakfast and arrives to school on-time. Students should also make sure their iPads are completely charged when they arrive at school on testing days.

If possible, please try to avoid scheduling any appointments or other planned absences on these testing dates. Students who are absent will make up the tests on a later date.

We believe in our Wildcats! As always, please do not hesitate to reach out if there is anything we can do to support your child at WMS. We are always here to help!

### General School Reminders:

- To sign out your student early for an appointment or early dismissal, you will need to scan your Driver's License or state-issued ID using our School Safe ID kiosk in the main office, so please plan to **bring your ID into the office with you when you arrive.**
- All visitors and volunteers to our school (during the school day) will also be required to check in at our School Safe ID kiosk in the main office using a driver's license or state-issued ID.
- Just a reminder that students are permitted to have phones at school, however, they are not to be used during class time. Students are able to use them during their lunch period. Thank you for helping us reinforce the expectations.
- At this time, we will not be allowing extra students on the bus. Only students assigned to the bus may ride.
- Students are not permitted to get food deliveries from any restaurant or delivery service (Grub Hub, Door Dash, etc.) during their lunch periods. Parents are permitted to drop off lunches for students in the main office.

- For continued safety in the car line, please stay in your lane when picking up your child – do not pass any cars in front of you. There are too many vehicles in motion, as well as students walking, and we do not want any unsafe situations.
- To avoid spills and keep our building clean, we ask that students only have water in our academic spaces.
- There are many ways for students to get involved at Weaver, including clubs & activities: [Extra-Curricular Activities – Hilliard Weaver Middle School \(hilliardschools.org\)](https://www.hilliardschools.org/news/forms/)
- If your student has prescription medication that they will carry or store in the clinic, or if they need to carry a day's worth of Over-the-Counter medication with them, there are forms that will need to be completed. You can access the forms on the district website under the medical forms at this link: <https://www.hilliardschools.org/news/forms/>.
