Notes from the Principal

Dear Weaver Families,

Thank you to our Wildcats for another great week at WMS! Next Tuesday (9/15), we are going to “Blue Out.” Our students and staff are invited to wear BLUE on Tuesday. In addition, we will be having a competition in “Team Time.” Each class will take a class picture - the most blue and most creativity wins a prize from the administration!

We want our families to know that September is Suicide Prevention month; we want our Wildcats to always know they are never alone. The [Hope App](#) on the district iPad has numerous resources to get immediate help. In addition, another resource is the National Suicide Crisis Hotline - the number is 988 (call or text). Today and always, we want our Wildcats to know this message: You Matter.

As we look ahead on the calendar, please save the date for our Weaver Family Tailgate (9/26) sponsored by our incredible PTO. It would be great to see our Wildcat families at this event! If you are interested in supporting our PTO - please consider donating to our Give Now Campaign ([you can support our students and staff by following this link.](#)) Any support helps; this money goes directly back to supporting our Wildcats. THANK YOU - the support of the Wildcat community never goes unnoticed to us!

With our Davidson Football team taking on the Darby Panthers this Friday, we are expecting a big turnout at Darby for the game. Please continue to have conversations with your students about behavior at these games. Students need to be in the student section (behind the High School) or with their parent in the stands. As a reminder, there can be school consequences and/or Hilliard Police consequences for behavior at these games. GO CATS!

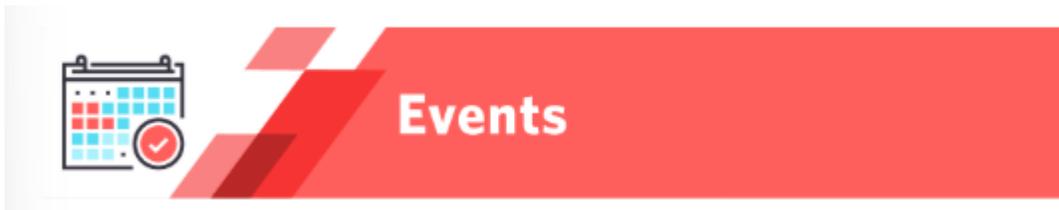

Please note there will be an Emergency Notification with ParentSquare Test: With our transition to ParentSquare, this will now be the district's official communication tool for **bad weather delays and closings** as well as any **emergency announcements**.

To ensure our system is working properly, we will conduct a **test emergency notification** on **Thursday, September 18 at 5:00 p.m.** This message will be sent to all families and staff connected to Hilliard City Schools through ParentSquare. This is only a test and no action is required. We appreciate your patience and support as we confirm that our safety protocols deliver timely and reliable information to our families.

We appreciate your commitment and involvement in your student's education. As we approach Week 5, please log into [Home Access Center](#) to access current grades and attendance. As always, please continue to communicate with our school staff if there is anything we can do to help support your student at WMS. We are here to help!

Thank you for all you do for WMS! Go Cats!

General School Reminders:

- To sign out your student early for an appointment or early dismissal, you will need to scan your Driver's License or state-issued ID using our School Safe ID kiosk in the main office, so please plan to **bring your ID into the office with you when you arrive.**
- All visitors and volunteers to our school (during the school day) will also be required to check in at our School Safe ID kiosk in the main office using a driver's license or state-issued ID.
- WMS has backpacks containing school supplies donated by community partners that are available to any student who needs one, while supplies last. Please reach out to our guidance office if you would like to request one.
- At this time, we will not be allowing extra students on the bus. Only students assigned to the bus may ride.
- Students are not permitted to get food deliveries from any restaurant or delivery service (Grub Hub, Door Dash, etc.). Parents are permitted to drop off lunches for students in the main office.
- For continued safety in the car line, please stay in your lane when picking up your child – do not pass any cars in front of you. There are too many vehicles in motion, as well as students walking, and we do not want any unsafe situations.
- To avoid spills and keep our building clean, we ask that students only have water in our academic spaces.

PTO Update

Wellness: Part of the PTO's mission is to not only create positive experiences for our students, but also to create positive middle school memories. Our committee has decided to focus our time and energy on the wellness of our students this year. We will be providing wellness tips and resources through the Weaver Wire and on our PTO social media that we hope parent's find helpful as you and your student navigate these middle school years. The PTO will also be creating wellness projects throughout the year to get the students involved in their community and school. We look forward to reinforcing a culture of kindness at Weaver!
