B. RECOGNITION / PROGRAM

B1 The Hilliard City School District and Washington Elementary is committed to teaching the whole child. Therefore, this year we are purposefully teaching students and emphasizing six social emotional attributes: emotional regulation, growth mindset, grit, sense of belonging, compassion, and hope. At Washington we use the first 20 minutes of every day in all classrooms to hold a morning meeting. During this time, all classrooms participate in activities and lessons focused on these attributes and the Wolfie Way which encompasses our district values. Our goal is that with purposeful and intentional instruction in these areas we will help foster and support our students socially and emotionally before asking them to engage in academic work. Already this time every morning has become a favorite by teachers and students!

D. PUBLIC PARTICIPATION

The Board of Education of the Hilliard City School District encourages and appreciates citizen interest in meetings of the board. This place in the agenda is especially set aside to hear comments from visitors. Persons wishing to address the board should make written requests in advance of the meeting or complete the Visitor Form found where the agenda materials are located. When called, each speaker is asked to address the board at the microphone so that remarks may be clearly heard and recorded. The speaker should give his or her name and address and limit comments to three minutes.

Board members may ask questions of the speaker for information or clarification and may or may not make comments in response to a speaker’s remarks. It should be noted that this section of the agenda is to hear the views of citizens about their schools. No board member has the power or authority to act for the board; therefore, no response from an individual board member should be interpreted as an official action of the board. Portions of the board meeting are being audio taped.

WHEREAS, the School District is a member of META Solutions (f/k/a Metropolitan Educational Council) (the “Council”), a body authorized by state statute to aggregate purchasing needs of schools and of related nonprofit educational entities so as to take advantage of economies of scale when purchasing essential products and services; and

WHEREAS, the Council joined with other major school districts and educational purchasing councils to conduct a Request for Proposal for competitive natural gas service commencing with the July 2020 billing cycle and terminating no later than the close of the June 2025 billing cycle, with bids to be submitted for one, two and three year periods (the “RFP”); and
