B. PROGRAMS/PRESENTATIONS

B1 JW Reason supports every student without exception. One way we provided this support this school year is by restructuring our language art supports to be inclusive for all students. Our 4th-grade teachers and students are excited to present the learning they have done together as they have tried out the Wit and Wisdom curriculum this year. Students and teachers alike have enjoyed this rigorous and engaging curriculum. Another way we have supported every student without exception is by creating intentional time for staff collaboration each week. As part of the collaboration, our classroom teachers in grades K-5 along with Mr. Smalley, our Innovation and Discovery Specialist, created a Design Thinking Challenge for the entire school. Students were tasked with designing a shoe for kids who do not have access to shoes. Then students worked with the 7th and 8th-grade students at the ILC Hub BE2TA Lab to create a 3D representation of their shoe design.

B2 Hilliard Education Foundation

B3 Dr. Anita Somani – Education Bills and Teacher Appreciation

F5 Superintendent recommends, _____ moves and _____ seconds that the Board of Education approve the following resolution:

SELECTING PRATER ENGINEERING ASSOCIATES, INC. AS ARCHITECT

AND AUTHORIZING AN AGREEMENT FOR DESIGN SERVICES FOR THE HVAC SYSTEM REPLACEMENT PROJECT

The Superintendent recommends Prater Engineering Associates, Inc. ("Prater") as the most qualified firm to serve as the architect and provide design and related construction administration services for work on the HVAC System Replacement Project (the "Project"), and the Superintendent requests authority to negotiate and execute an agreement with Prater for these services.

Rationale:

1. The Board requires the services of a design professional to provide design services and related construction administration services for work on the Project.
2. Sections 153.65 through .71 of the Ohio Revised Code prescribes a qualifications-based selection process, which is required to be followed by public entities when design professional services are needed.
3. In accordance with the statutory process, the Superintendent publically advertised and issued a request for qualifications for design professional services and, with assistance from District administrators, evaluated the statements of qualifications submitted by design professional firms.
4. Following this evaluation, the Superintendent and District administrators identified Prater to be most qualified to provide the required design professional services.
5. Prater provided a pricing proposal for the necessary design and related construction administration services for the Project, as set forth in Prater's pricing proposal dated April 10, 2023, in an amount not-to-exceed \$190,500.00.
6. The Superintendent, requests authority to negotiate and execute a contract with Prater for the necessary design and related construction administration services for the Project in an amount not-to-exceed \$190,500.00.
7. The Superintendent also requests authority to authorize amendments to the negotiated contract with Prater on behalf of the Board in a total amount not-to-exceed 10% of the not-to-exceed amount of \$190,500.00. Contract amendments in excess of 10% will be brought to the Board for its approval.

The Board of Education resolves as follows:

1. The Board selects Prater as the firm most qualified to perform the required design and construction administration services for the Project.
2. The Board authorizes the Superintendent and Treasurer, working with legal counsel, to negotiate an agreement with Prater for the necessary design and related construction administration services for the Project in an amount not to exceed \$190,500.00.
3. The Board authorizes the Superintendent, Treasurer, and other officials and administrators to execute the negotiated agreement on behalf of the Board, and to sign any related documentation consistent with the intent of this Resolution.
4. The Board further authorizes the Superintendent and Treasurer to sign amendments to the contract with Prater in a total amount not-to-exceed 10% of the contract not-to-exceed amount of \$190,500.00; should an amendment to the contract exceed this amount individually or as the aggregate of amendments, the amendment will be brought to the Board for approval prior to the work being performed.
