AWARDING CONTRACT FOR THE HVAC COOLING TOWER REPLACEMENT PROJECT WAIBEL ENERGY SYSTEMS, INC.

The Chief Operating Officer (“COO”) recommends the Board of Education award a contract to Waibel Energy Systems, Inc. (“Contractor”) for the HVAC Cooling Tower Replacement Project (the “Project”).

Background:

1. The Board has identified a need for the Project.
2. In compliance with applicable law, the COO and Treasurer solicited bids for the Project based upon design documents prepared by Heapy Engineering (“Architect”).

3. Two bids were received for the Project. Bids were opened and read aloud on August 28, 2025 with the apparent low bid submitted by Contractor in the amount of \$1,223,500 (the "Low Bid").
4. After review of Contractor's bid submission and a scope review meeting with Contractor, the Architect recommends the contract for the Project be awarded to Contractor as the lowest responsible bidder. The COO and Treasurer concur with the recommendation and request authority to negotiate and sign an agreement with Contractor in an amount not-to-exceed the Low Bid.
5. Additionally, to avoid Project delays, the COO and Treasurer request authority to enter into change orders on behalf of the Board in a total amount not to exceed 10% of the Low Bid. Change orders in excess of that amount, individually or in the aggregate, will be brought to the Board for its approval.

The Board resolves as follows:

1. Based on the information provided, the Board selects Contractor as the lowest responsible bidder.
2. The Board authorizes the COO and Treasurer to negotiate and sign an agreement for the Project with Contractor in an amount not-to-exceed the Low Bid, and to sign any associated documents consistent with the intent of this resolution.
3. The Board also authorizes the COO and Treasurer to enter into change orders on behalf of the Board in a total amount not to exceed 10% of the Low Bid. Change orders in excess of that amount, individually or in the aggregate, will be brought to the Board for its approval.
4. No property interest in the Project will be created until all required documents have been submitted by Contractor and the agreement is executed by the designated Board representatives.
