- ☐ OPTION A: The student/family will be financially responsible for all tuition and the cost of all textbooks, materials, and fees associated with the College Credit Plus Course.
 - ☐ The student must inform the secondary school whether the student wants to receive college credit only or high school and college credit.

Please consult with Tom Woodford, tom_woodford@hboe.org for more information and to choose the option(s) that best suits your College Credit Plus endeavors. Your selection of Option A or Option B is tentative on this form. You must confirm your selection by your college's no-fault withdrawal date. You must also inform your high school of your final selection.

I have received guidelines regarding the State of Ohio's CCP program. I understand the commitment that is necessary to be successful in a college course while in high school.
