SUMMARY

The building and administrative staff listed above meet annually to review all student handbooks. All Board and District policies and procedures are updated as needed. Along with Board and District policies, the majority of revisions consist of grammatical/typographical errors, staff information, table of contents, school year dates, bell schedules and front cover pages. All student handbooks are available on the building and district websites. We also print a few copies of each handbook for students who do not have the means to access the website.

The following is a detailed list of revisions not described above:

In accordance with this law, the Ohio Department of Health, the Ohio Department of Education, the Ohio High School Athletic Association, and other stakeholders developed guidelines and materials to educate student athletes, their parents, and their coaches about the nature and warning signs of sudden cardia arrest.
12 Last paragraph/transfers	Revise eligibility per OHSAA’s revised by laws.
19 Drug, Tobacco & Alcohol Policy	Pending Board Policy review and adoption, the athletic directors have proposed treating all violations (alcohol, drug and tobacco) the same instead of one set of consequences for alcohol and drugs and another set of consequences for tobacco-related offenses. Alcohol, drug and tobacco offenses are addressed in Policy IGDJ/IGDJ-R – Interscholastic Athletics. This policy will be reviewed at the Policy Review Committee meeting in May.
