Re: Plan Change Request for Tolles Career and Technical Center

Dear Members of the Tolles Career and Technical Center Board of Education:

Thank you for notifying the Department of Education (the "Department") of your intent to modify the Tolles Career and Technical Center ("Tolles") membership plan pursuant to Section 3311.191 of the Ohio Revised Code ("ORC"). The Department has received the Tolles resolution approving the change, the resolutions from your member districts, and the proposed membership plan.

Pursuant to ORC 3311.191(B), your application to revise Tolles' membership plan is approved. The Department will keep copies of the submitted resolutions and membership plan in Tolles' historical file. Please note that, in accordance with ORC 3311.191(B), you may only revise your membership plan one time, so further requests to change your membership plan will not be permissible.

On behalf of the Department, I thank you for providing quality career-technical education to Ohio's students. Your efforts help each child to be challenged, prepared and empowered.

Sincerely,

Paolo DeMaria
Superintendent of Public Instruction
