

S.T.E.M. LEGO Robotics BattleBot Camps

Ages 4-16 — No experience required!

Robot Academy S.T.E.M. Camps:
LEGO Robot and Invention Camps

**Fun for the Summer.
Skills for the Future.**

2019 Camp Schedule

2-Day Camps

- April 6-7: LEGO Robot Battle-Bot Camp in Dublin
- April 27-28: LEGO Robot Battle-Bot Camp in Ashville

5-Day Camps

- June 17-21 in Dublin
- July 8-12 in New Albany/
Gahanna
- July 22-26 in Westerville

**Ask us about BattleBot
events for schools, birthday
parties and scout badges**

At Robot Academy summer camps, kids ages 4-8 and 9-16, learn about S.T.E.M. in a fun and supportive environment.

Kids build and program Lego robots to compete in a BattleBot championship! Campers make friends and improve grades at school with skills learned at S.T.E.M. Camps. Campers complete robotics challenges to win trophies at an award ceremony for parents.

No experience necessary - we teach kids everything they need to know to put together a winning BattleBot.

SPECIAL DISCOUNTS :

Save \$15 with 'Battle15' discount code for all camps.
