

Did you know there is a field hockey club in Hilliard? Hilliard Lynx Field Hockey Club accepts athletes from all of the Hilliard Schools and neighboring schools who do not have field hockey in the schools. Both the middle school and high school teams compete against area middle schools and high school teams.

This is a fun and friendly environment focused on learning the game of field hockey and the team is currently looking to grow their program! All athletes in grades 5 through 8 are eligible to play for the middle school team. While the season has begun, it is not too late to join!

This team is the foundation for the high school team. Players who compete with the Hilliard Lynx varsity team are eligible for a varsity letter from their home school. They can also earn their physical education credit from their high school. Hilliard Lynx players in recent years have continued their athletic and academic careers at various Division I through III schools.

Contact Coach Melanie McClellan at melaniekmccllellan@gmail.com to find out how you can become a part of the 2022 team.
