**June 10-15**

**Don't miss this great opportunity!**

*With a full daily curriculum in physics, chemistry, biology, geology, engineering, and other advanced topics, B-WISER is an inquiry-based learning experience. Campers also meet female career exemplars who share their science journeys.*

*In the evenings, campers participate in exciting programs ranging from polymers to light and waves.*

*Campers advance their skills, make new friends, and gain self-confidence.*

**Partnership & Scholarship**

*B-WISER Science Camp is an educational partnership of The College of Wooster and the Martha Holden Jennings Foundation.*

*Additional funding for scholarships is donated by the Noble Foundation, Dr. Lois Cook, the American Chemical Society Section #223, and the Kathryn Rieder Fund.*

*The opinions, products, activities and/or services of this organization are neither sponsored nor endorsed by the school district.*
