**June 16-21**

**Don't miss this great opportunity!**

With a full daily curriculum in physics, chemistry, biology, geology, engineering, and other advanced topics, B-WISER is an inquiry-based learning experience. Campers also meet female career exemplars who share their science journeys.

*In the evenings, campers participate in exciting programs ranging from polymers to light and waves.*

*Campers advance their skills, make new friends, and gain self-confidence.*

## Partnership & Scholarship

B-WISER Science Camp is an educational partnership of The College of Wooster and the Martha Holden Jennings Foundation.

Additional funding for scholarships is donated by the Noble Foundation, the American Chemical Society Section #223, Dr. Lois Cook, and the Kathryn Rieder Fund.

The opinions, products, activities and/or services of this organization are neither sponsored nor endorsed by the school district.
