Back To School Next Week!

CAMP READINESS:

Not sure if a camp is the right fit for your child's age, interests, or experience? We invite families to schedule a free introductory session so your child can explore Code Ninjas, meet our Senseis, and help us determine the best program fit.

CAMP REFUND POLICIES:

Refunds are not available for non-attendance. If a camper is unable to attend with advance notice, families may transfer to another Summer Camp or receive a credit for future Code Ninjas programs. If a camp has fewer than 4 attendees, it may be canceled; in that case, families may transfer to another Summer Camp or receive a credit.
