The food pantry has been a lifesaver. I don't know what we would do without all the hardworking people who give selflessly to the pantry.

Our Programs

We connect families in need to resources that help them thrive

Food Assistance

Eligible families receive fresh produce, meat, bread, and shelf-stable foods twice a month. We offer a choice pantry where pantry families select items with volunteer assistance at each station. We also offer personal care products, diapers, pet food, books, and more!

Utility Assistance

We provide up to \$200 in utility assistance every 365 days to families who need it. Families must live within one of our seven service zip codes and have a disconnect notice. Contact or visit the pantry for more details.

Care Coordination

Families may meet with our resource advocate for help with finding resources and addressing barriers. Appointments can be scheduled by visiting the pantry or emailing us at support@hilliardfoodpantry.org

Benefits

We assist people with benefit applications, including SNAP and Medicaid. Those interested can visit the pantry during Tuesday and Wednesday service hours.

Holiday Assistance

The pantry provides holiday food options in November and holiday gifts for the children (ages 0-13 years) of pantry families in December. Sign-ups are held at the pantry during service hours starting the Tuesday after Thanksgiving.

Classes

We host a variety of classes each month, including nutrition-based education, financial literacy, cooking demos and more!

Register for classes by visiting the pantry during regular service hours.

Senior Box Delivery

Twice a month, we deliver fresh produce, meat, shelf-stable food, and personal care products to three senior living centers:

- Wellington Senior Village Apartments
- Horizons Apartments
- Sturbridge Green Apartments
