

Make a Difference Month Hilliard!

2020

To make a difference in someone's life you don't have to be brilliant, beautiful, rich, or perfect.

You just have to care.

~ Mandy Hale

The City of Hilliard, in collaboration with the nonprofit Patches of Light, has proclaimed that the month of October will be recognized as ***Make a Difference Month***. For 17 years our community has set aside the month of October to wholly focus on joining together to make a difference. The efforts begin in our heart, flow over to our neighborhoods, schools, churches, and hopefully continue on to wherever the journey takes us.

In pre-covid days we would come to your Make a Difference events, moments, etc., and take a picture with our banner, as well as post on our Make a Difference Month Hilliard FB page. This year we depend on you to share your moments of making a difference for us and with us.

Please feel free to share your pictures, efforts, outcomes, etc., to our FB ***Make a Difference Hilliard 2020*** page. We would love to see your "banners/posters" as well and will be having a "Best of Make a Difference Hilliard" Poster/Banner contest. Please go to our FB page to download an entry form and find more information on ***Make a Difference Month Hilliard***.
